AIL's Statement regarding Terms and Conditions:
Important Note: Automation International LTD (AIL) acknowledges receipt of the purchase order from Buyer with the understanding and acknowledgement from Buyer that AIL is not the manufacturer of the products being purchased. AIL is the authorized distributor of the purchased products and cannot be held liable for any clause pertaining to the manufacture, design, delivery, etc., including but not limited to any "Time is of the Essence" clause, or other manufacturing clauses contained in Buyer's Terms and Conditions. If AIL does not receive a written response from Buyer stopping the processing of this order within 24 hours from this notice, AIL understands this as acceptance of AIL's capacity as a distributor, and not a manufacturer, and process Buyer's order accordingly. Such acceptance will supersede any electronic acknowledgement means used to settle down this purchasing process.
AIL will honor the factory warranty.

Declaración de AIL en cuanto a los Términos y Condiciones:
Nota Importante: Automation International LTD (AIL) acusa recepción del pedido del Comprador bajo el concepto y aceptación del Comprador que AIL no es el fabricante de los productos comprados. AIL es distribuidor autorizado de los productos comprados y no puede ser responsable por ninguna cláusula relacionada con la fabricación, diseño, entrega, etc., incluso pero no solamente a "que el tiempo de entrega es primordial" u otras cláusulas mencionadas en los Términos y Condiciones del Comprador. Si AIL no recibe una respuesta por escrito del Comprador para detener el proceso de este pedido dentro de 24 horas de esta advertencia, AIL entiende que esto significa que el Comprador acepta la capacidad de AIL como el distribuidor y no como el fabricante y se procesará el pedido del Comprador según ello. Tal aceptación reemplazara cualquier modo de aceptación usado para negociar este proceso. AIL respetara la garantia de Fabrica.
